## **Diamonds Premier**

Our Premier Team began their season at home vs Streatham before a late night trek to Milton Keynes.

Saturday 24th September saw our newly promoted Premier team hit the ice for the first time this season vs Streatham Storm, in a game kindly sponsored by IceOnTheHumber. The Diamonds opened the scoring at 3.46 thanks to a goal from skipper, Beth Barwell and led 1-0 heading into the first break. Streatham came out strongly in the second stanza and found the back of the net at 22.54. An instant reply from the Diamonds at 23.04 scored by Shannon Jones and Kingston led once again. The third period saw the Storm come out all guns-blazing as they scored 4 unanswered goals to tie up the game in the visitors favour. There were lots of positives to take from the game, especially with 4 U16 players making the step to Senior Women's hockey for the first time after an EIHA rule change.

## **Final Score Kingston 2-5 Streatham**

Just a week later and the Prems were on the road to Milton Keynes to face the Falcons. A much shorter bench this week, with the late faceoff causing problems for many, guaranteed a tough game. The Diamonds started well and had a few good chances but it was the Falcons who took the lead at 14.32, with another goal at 17.17 to put them up 2-0. A beautifully worked goal from Reagan Downing put the Diamonds on the scoresheet just 40 seconds before the end of the period. The Diamonds bench was strengthened shortly after as two more girls arrived after getting caught in traffic. A second period riddled with penalties resulted in MK scoring again at 31.01. However, captain Beth Barwell brought the Diamonds back within one with a lovely slapshot at 39.22. The Falcons led 3-2 entering the final period and it was to be MK that scored again to close out the scoring at 41.09.

## Final Score Milton Keynes 4-2 Kingston
